Dear Sirs/Mesdames:

**Re:** AuEx Ventures, Inc. (the "Corporation")

Pursuant to Section 8.3 of National Instrument 43-101, this letter is being filed as the consent of Michael M. Gustin, P.Geo. to the use and public filing of the technical report entitled "Technical Report on the Long Canyon Project Elko County, Nevada, USA" dated April 24, 2009, by the Corporation. I also confirm that I have read the Corporation's News Release dated March 13, 2009, relating to the technical report of April 24, 2009, that it fairly and accurately represents the information in the technical report, and I consent to the use and public filing of the extracts of the technical report contained therein.

Sincerely,

Michael M. Gustin

Michael M. Gustin, P.Geo.  
Senior Geologist  
Fronteer Mine Development Associates
